THE COMMISSION

CARE FOR THE ONES WHO CARE FOR THE FLOCK

The Write Place Online

HEAL. RESTORE. SEND BACK STRONGER.

I am commissioned to care for leadership — to walk with shepherds through the past traumas, hurts, wounds, and pains inflicted inside the body of Christ: by sheep who bite, goats who divide, and wolves who devour. Shepherding carries a private cost — disloyalty, betrayal, and abandonment by the very ones you carried. This is the place where that pain is named, healed, and no longer carried alone.

WHAT THE WRITE PLACE ONLINE OFFERS

A confidential place to debrief the hurt • Healing sessions and coaching for wounded leaders.

Guided writing that turns pain into testimony • Ongoing covering, community, and restoration
